4 2 2

Its time to cheer Eureka! This certainly has to be the one you have been searching for! Suitable for all the family, there is something here for everybody!

Comprising four great sized bedrooms with some also being oversized, the master entails walk in robes and renovated en suite while the main bathroom has also had renovations. While a formal lounge is on offer the open main living zone entails a meals and living area while being overlooked by the updated 2-pack kitchen complete with solid bamboo benches and upgraded 900 MM stainless cooking and drawer dishwasher to boot! Ducted heating and cooling both feature, while there is also an alarm system for added security plus 8 solar panels at the highest feed in tariff.
