

## 10 Corey Avenue DROMANA VIC

4  2  2 

Behind the perfectly preserved facade, this gorgeous property reveals light-filled spaces whilst still retaining all the character of years gone by. With high ceilings, double-hung windows, an ornate fireplace and polished floorboards, this 4 bedroom, 2 bathroom gem was relocated from Brunswick over a decade ago. Now taking pride of place on a beautifully landscaped allotment, the gardens enjoy an enviable northern aspect, just perfect for entertaining on the large deck or soaking in the spa. With an abundance of period charm, this seaside property offers a fantastic floor plan with open plan living zones, a separate lounge, ducted heating and a utility room. The sandy shores are only a stroll away- come and enjoy this timeless classic as your permanent home or holiday haven.
