Perfectly positioned in a quiet cul-de-sac, this is the perfect blend of quality, size and low-maintenance living. Just like a house in living space with an open-plan design, it offers a large master downstairs with WIR and ensuite, modern kitchen with SST appliances, a huge meals and family zone with two separate outdoor entertaining areas. Upstairs you'll find the other bedrooms complete with BIR's and ceiling fans, both sharing another central bathroom. All this, complete with high ceilings throughout, ducted heating, split system cooling and much more. Take one look, and it will be love at first sight!
