Starting out? No need to skimp on what you want! That's right, now you can have it all: 3 bedrooms, ensuite, spacious living areas, central kitchen with large meals area, separate rumpus and a covered entertaining area. Outside offers a great sized back yard, enough for pets and kids to run around, so there's plenty of room for when your family starts, or grows! Includes ducted heating and refrigerated air-con, updated appliances, blinds and flooring plus loads more. Best of all, this location cannot be beat. Nestled in a gorgeous friendly court in arguably Westmeadows' most sought-after pocket.
