1 1

Located along the pristine coastline of Port Phillip Bay, just metres to the water's edge and only a short distance to Rosebud Plaza and Rosebud Pier, this magical beach box will capture your heart immediately.

Classically designed and with no expense spared to create a dream Hamptons inspired interior, the current owners have utilised beautiful Dulux neutrals 'Shimmer Blue' and 'Antique White USA' to evoke a sense of calm and tranquillity as you watch the waves lap at the shore from your front step.

Furthermore, solid external doors have been used alongside Tasmanian Oak hardwood flooring and VJ internal wall panelling for an authentic recreation of the quintessential Peninsula beach box.
