Step inside to find a welcoming front lounge, complete with a split system for year-round comfort. Adjacent to this, a versatile study provides an ideal space for a home office or quiet retreat. The home is equipped with ducted heating throughout, ensuring warmth during cooler months.

The master bedroom is a true sanctuary, featuring a private ensuite and a spacious walk-in robe. Two additional well-appointed bedrooms both include built-in robes, providing ample storage for the whole family. These bedrooms are serviced by a central main bathroom and a separate toilet for added convenience.
