Capturing the essence of modern living, The Evermore stands tall as a timeless icon with design by Hayball, one of Australia's largest architectural practices, a striking compliment to an address set in the heart of Melbourne's coveted arts and cultural precinct. The lushly landscaped podium top offers an entire floor of communal leisure rooms, outdoor dining, open air pool, gymnasium, cinema and library.

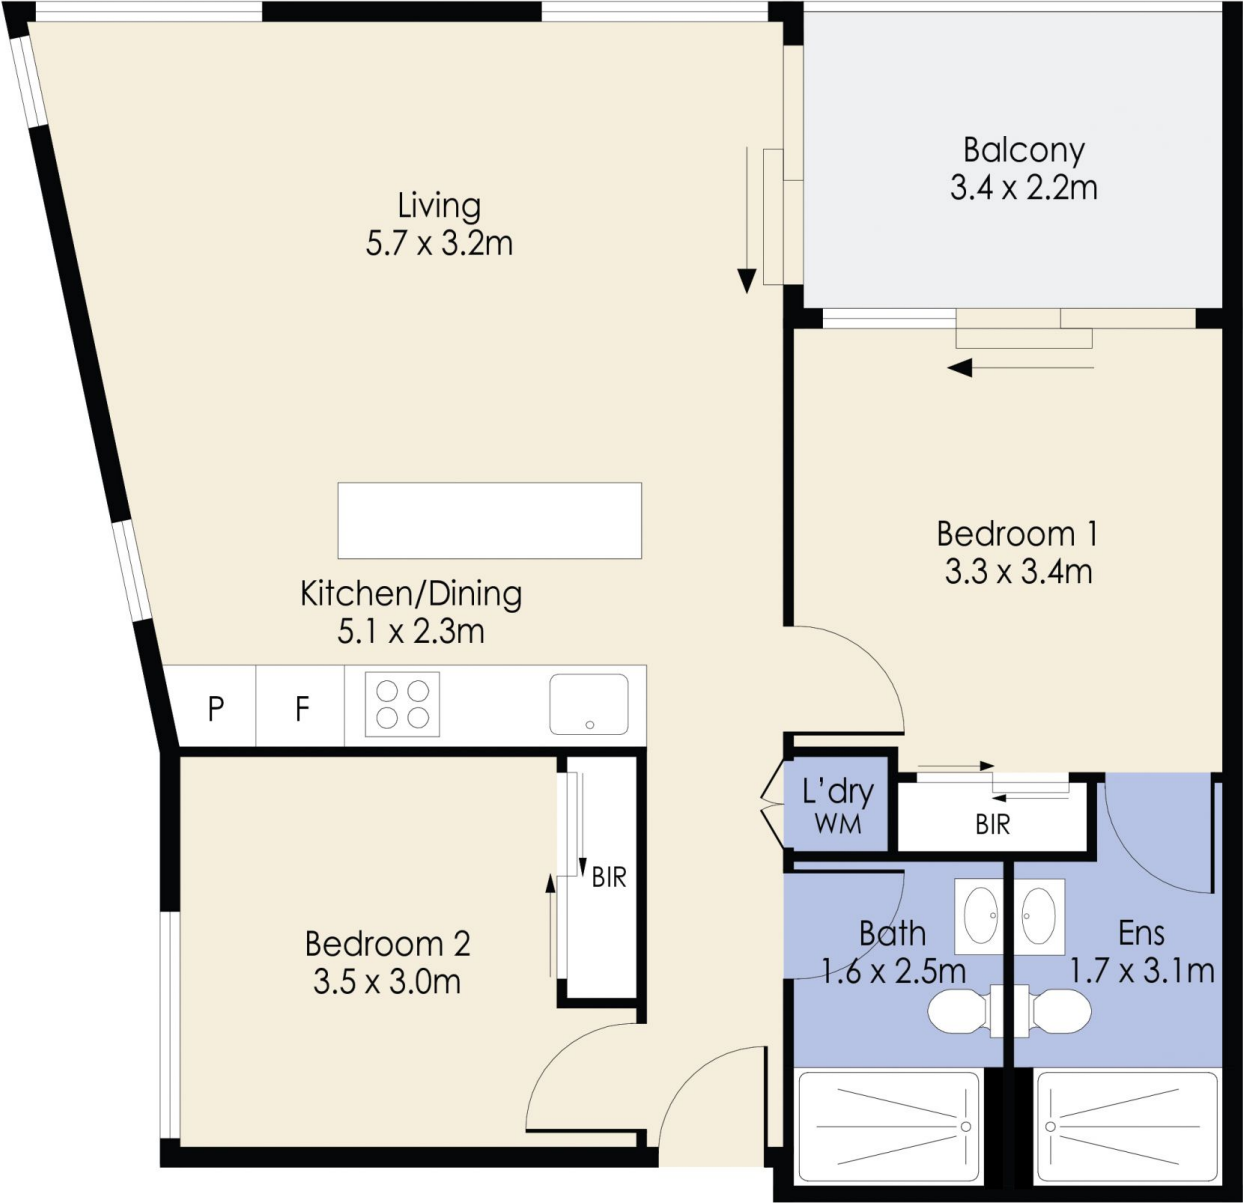

A versatile floorplan that adapts every lifestyle and a generous balcony surrounded by impeccable interiors illuminated in natural light. Master bedroom with en-suite & direct access to the balcony, full-height glazing, organic textures of timber, marble and stone speak of an affinity with nature while rich brass accents and indulgent detail introduce a sense of effortless elegance.
