Every now and then, a property comes on to the market that makes an entire suburb take notice!

Gladstone Park buyers of course, typically complain of the following?

- We've seen a big family home we like but it needs full renovation, the renovation is average and/or the house sits on a standard sub-600m² block (without a HUGE backyard for kids/pets to run around in)
- Yes it's a GRAND double storey home, but it doesn't have a DOWNSTAIRS Master Suite "or" 5th bedroom
